Carver High School

Hello Readers! There seems to be an avalanche of news this week. We will try to cover as far as possible the latest happenings of interest at Carver High.

On Wednesday, May 14, the Carver baseball team, behind the splendid pitching of Algie Williams, defeated the Amherst nine by a score of 4 to 2. Williams had a shut-out until the ninth inning when Amherst scored 2 unearned runs. The Carver team also hit and fielded brilliantly behind their new rookie mound star. The next game will be against Amherst at Amherst, Wednesday, May 21. Carver now has a record of 3 wins and 2 defeats.

The Seniors are busy preparing for Class Night Exercises which will be held in June. They plan to put on a unique play entitled, "The Future Train." The public is cordially invited.

With the approach of school Commencement ceremonies, 23 seniors are anxiously anticipating their graduation from high school. They are: Charles Booker, Arnold Fleshman, Emma Jones, Lillie Mae Lewis; Warren Jones, McKinley Lewis, Bernice Lewis, Warren Minnifield, Margaret Madison, Odessa Pankey, Olivia Pankey, Doris Fleshman, Simon Morgan, Raymond Williams, Norrald Watkins, Annabelle Robinson, McKinley Tanner, Rachel Stratton, Christine Walker, Lawrence Turner, William Turner, Haywood Walker, and Sylvester Watkins. Our records tell us that this is the largest graduating class in the history of Carver and also the only one to have more male grads (13) than female (10). We congratulate these 23 prospective graduates and wish them much success after graduation day. P. S.- To get the latest dope on the class of '52, be sure to get your copy of the Carver Herald.

Mrs. Mojella P. Price was selected by the seniors to be the guest speaker for the senior banquet, which will be held June 3, in the home economics department.

The P.-T. A. will meet Tuesday, May 27, at 7:30 at the Carver High School. This is the last meeting of the current school year. At this meeting plans will be made for the coming summer and fall.

Monday night, May 26, the Carver baseball team will play Luther Foster High School of Nottoway at the Lee Theater Park. Game time will be 8 o'clock.

Warren T. Jones, third honor student of the Senior Class of Carver, recently won a $150 scholarship to Hampton Institute. Congratulations, Warren!

Our week's thought: "You cannot teach a man anything; you can only help him to find it within himself."

From where I sit ... by Joe Marsh
Attention Ladies!

Cakes lined up—each with a number. Judges looking, breaking off pieces, tasting. The winner? Number 4—a cake with a wonderful, glossy chocolate frosting.

This was at the Women's Club last night. Then Duke Thomas stepped up—*his* cake was Number 4! Seems his missus was laid up, so Duke took over—and won!

Here's Duke's prize-winning frosting recipe:

Melt 3 squares unsweetened chocolate in double boiler. Remove from heat, add 1½ cups sifted confectioner's sugar and 2½ tbs. hot water and blend. Add 3 egg yolks, one at a time, beating well after each. Add 4 tbs. butter, beating thoroughly after each tbs. Fills and frosts 8-inch, 2-layer cake.

From where I sit, we all have different abilities and tastes... and these differences are sometimes surprising. Duke bakes prize-winning cakes. My wife, for example, can beat most any man at checkers. Same when it comes to beverages—you may like coffee or tea while I prefer a refreshing glass of beer. But let's not have any "half-baked" ideas that people are all the same—or *should* be.

CHRYSLER SARATOGA 6-PASSENGER SEDA

ITS NEW KIND OF HORSEPOWER IS SOMETHING TO FEEL!

With its 180 HP V-8 engine, on 125½ inches of wheelbase, many people think the Saratoga is the best Chrysler car of all.

We invite you to take the wheel and *feel* what happens! There's a new sense of *easy* power, of *reserve* power that make driving a new experience.

Its revolutionary combustion chamber develops more of the power in each charge of fuel than other engines can do. One result is performance, *even on non-premium fuel*, such as you have never felt. Another result is new economy. It's an engine that scarcely forms carbon at all. It creates less heat. It will last much longer, stay *younger* on the way!

And with Chrysler full-time Power Steering*, you steer with *one-fifth* the usual effort . . . drive with *five times* the usual control! With Power Brakes you need up to *two-thirds less foot pressure* . . . and still stop in many feet less than other cars can do.

Yes, behind Chrysler's new engine you'll find a new kind of car. Won't you come in and *feel* what we mean?

*NOTE: Power Steering standard on Crown Imperial. Available, extra, on any new Chrysler.

The seniors received their invitations Tuesday to the Junior-Senior entertainment. It will be a dinner-dance on June 5. All of the seniors are looking forward to that day.

The F. B. L. A. Club held its regular meeting Tuesday. The president of the club was elected for next year, and she is Cecil Hillsman.

The editor and staff of the Commercial Comment will be announced after the next meeting.

The F. B. L. A. picnic is to be Friday.

The Latin and Music Appreciation classes will present their annual double feature Tuesday, May 27. It will be in the high school auditorium.

The F. F. A. will have its end of school picnic this Friday. The new slate of officers for the club has been announced and they are:

President, Jack Stratton
Vice-pres., Everette Beale
Secretary, Lloyd Walton
Treasurer, Benjamin Beasley
Reporter, Lewis Moore
Sentinel, Thomas Weakley.

The baseball team has played three games in the past week, and won all three. They went to Hargrave Military Academy Tuesday, and came back with a 13-3 victory over that school. The game with Charlotte Court House Friday ended in a 9-0 victory for A. H. S. This Tuesday, Hargrave Military Academy played us on our home grounds and we won, 6 to 2. Maymond Mitchell was the pitcher.

This finishes the order of events at A. H. S. for this week. So long, until next time.

—PEGGY ELLEN COLE.

Supper guests Monday night of Mr. and Mrs. Paul Thornhill were Mr. and Mrs. Marvin Reynolds and Becky and Miss Anna Harris.

Mr. and Mrs. W. A. Scruggs and daughters were supper guests Sunday evening of Mr. and Mrs. Marvin Reynolds.

HOMEMAKER'S ITEMS

Cotton bags have a future in Virginia, where a 4-H "Sew with Cotton Bags" contest is getting underway.

It is estimated that this year 125,000,000 dress print bags will be used to package such farm products as feed, fertilizer, and flour. The contest will feature smart wearing apparel and household items made from these thrifty cotton bags.

Any 4-H club in counties taking part may enter an exhibit of wearing apparel and household items made from cotton bags in the county contest. The club winning first place in the county contest will enter its exhibit in the state contest to be held at the Atlantic Rural Exposition in Richmond in September.

The Agricultural Extension Service at VPI is cooperating with commercial companies in conducting the contest.

The exhibits will be judged on variety of articles, originality, workmanship, cleanliness and pressing, percentage of club members making articles, and display work by club members.

The truck that grew up on the farm!

The builders of International Trucks have a background of over 100 years' experience in building heavy-duty equipment for farmers.

To this add 45 years' experience in building heavy-duty trucks. This combined experience is put to good use. The result is an International Truck engineered to do *your* hauling more economically.

This is only one of many advantages you enjoy when you choose an International Truck. Why not choose your next one now?

You can't beat these International Truck exclusives:
- All-truck engines—built in the world's largest truck engine plant.
- The "roomiest, most comfortable cab on the road"—the Comfo-Vision Cab.
- Super-steering system—more positive control, easier handling and 37° turning angle.
- The same traditional truck toughness that has kept International first in heavy-duty truck sales for 20 straight years.
- The truck engineered for your job . . . 115 basic models, from ½-ton pickups to 90,000 lbs. GVW ratings.
- Largest exclusive truck service organization.

International L-160 models offer 130 to 172-in. wheelbases, GVW ratings from 14,000 to 16,500 lbs.

Buy on Proof!
Before you buy any truck, let us give you a list of persons in this area who have recently bought new Internationals like the one you are considering. Check with any or all of them. Find out how Internationals cut hauling costs on jobs like yours.

For complete information about any International Truck, see—
